Letters of Thanks for Feb. 10, 2016

Project Homeless Connect 2016 was a great success providing 116 members of our community with a wide range of services such as housing assistance, dental services, eye-exams, eye glasses, haircuts, ID cards, veterinary checks, and many other useful community services, referrals and information. Thank you for over 70 volunteers and 26 local agencies, organizations, and businesses that worked together to insure our guests accessed the services they needed.

A special thanks to the team that put this all together: Nicole Lopez (PPR AmeriCorps), Carly Castaneda (Publicity), Darice Grass (Meals), Vinessa Karnofski and Faye Kerms, (Tangible Goods), Fr. Richard Loop, Nancy Holmes, and Jerry Sadler (Logistics), Katie Lindstrom, Shenna Humphreys (Providers) and Mitzi Pothier (Volunteer Coordinator).

Bill Buck, PHC Coordinator 2016
